## We are here for you!

We, the Intercultural Parent Mentors, are neutral and reliable contact persons for parents, educators and teachers.

**WHAT WE DO:**

- we accompany you during parent-teacher talks and parent evenings - we explain, mediate and translate into different languages.
- we advise you on questions regarding nursery school, primary school, secondary school and the transition from school to vocation
- we inform you about further offers for parents and children

...and much more

I am your Parent Mentor:
